SYNDROMES**

5-6 MARCH 2020, TEL AVIV, ISRAEL

**ADVANCING
RESEARCH &
PATIENT
CARE**

- 
- INTERNATIONAL EXPERTS
 - CONNECT WITH COLLEAGUES FROM AROUND THE WORLD
 - 2 DAYS IN THE NON-STOP, START-UP CAPITAL

On behalf of the Scientific and Local Organizing Committees and the MDS Foundation, it is our pleasure to invite you to the 2nd Regional Symposium on Myelodysplastic Syndromes taking place in Tel Aviv, Israel from March 5-6, 2020.

The Symposium will cover all relevant aspects of MDS including genetics, epidemiology, pathogenesis, current and future treatment strategies. Meet the leaders in the field and attend cutting edge educational sessions.

DISCOVER TEL AVIV

Modern, vibrant and cosmopolitan, Tel Aviv will excite you!

No matter if you are a heritage explorer, an architecture admirer or want to feel the social and culture spirit of the city, Tel Aviv is the place to be. Visit the Old Jaffa Port, go for a walk down Rothschild Boulevard, shop at Carmel Market or just go to the beach!

Spend an exciting 2 days in one of the world's most innovative cities, at the heart of the global start-up scene – Tel Aviv!

We are looking forward to welcoming you to MDS 2020!
